Manager's Corner

June, 2011

This month's occupancy is 270 or 15% vs. 585 for the month prior and 363 for the year prior. There are 8 renters currently in the park.

The re-plastering of the East Pool is scheduled to start June 1st. The east pool will be drained and work will start on this project. You can expect that this project will take at least 30 days. While this work is in progress, we will keep the exercise facility open but the spas will be shut down. As long as everyone stays behind the construction zone, we will be able to do this. If however, we have people that enter into the construction area, we will be forced to close the entire pool area down. Please, for you own safety and for your neighbor's convenience, stay out of the construction areas. When the deck is being painted the entire area will be shut down for a few days.

The roof on the Laundry room and ceramics building is scheduled for replacement that also should take place in June.

The street resurfacing will start the second week of June. Fairchild and Helio will be completely re-surfaced. Some seal coating will also be done in the park, on selected streets where the seal coating is wearing off. We are going to try a different method of application on the seal coat, only applying in the very early morning hours, (5:00 a.m. start time) to take advantage of the cooler temperatures. The Seal Master Representatives say this meets their specifications and they have found that the wear on the seal coat is better if it is applied at night when the temperatures are cooler. In the past, the seal coat was going down in the heat of the day when the radiant temperatures exceeded 150 – 165 degrees on the asphalt. They feel that this is detrimental to the product and could be a factor in how quickly the seal coat oxidizes off the streets. Arizona's extreme temperatures make this product react differently than it would in any other part of the country.

Palm tree trimming, will start towards the end of June. We always wait until most of the seed pods are out so that the contractor doesn't have to go around the park twice to catch those pods. We also have some trees that flower much later than others, (along Navajo) so we have to time the trimming to not catch these trees too early.

SRP came back to us a couple of weeks ago and told us that they had decided to do some additional surveying in the park, again at no cost to VO. This survey will mark the location of the primary and secondary lines to the rear of the units. This will be extremely beneficial, as SRP often loses many man hours trying to locate their services. They will be marking the paths of these lines, using 'whisker pins' or water soluble paint. We ask that you leave these markers alone. Once they are done they will complete the survey and it will be much more detailed when done. When this new survey map is complete, we will have it posted in a prominent location in the post office. We will also be given a PDF file of this survey, which would allow us to zero in on a specific lot, blow it up and 'take a picture' of that lot for the lot owners use. When doing construction it is still necessary to contact Blue Stake services. In fact if you didn't contact Blue Stake and there was an accident with SRP's utilities there is NO COVERAGE, so make sure you always contact them prior to digging ANY time.

We are currently working on our new web site. There is much that has to be done on this site and it involves all departments. We hope to have it up and running very soon, so that the Bulletin Board will be back in business. The old bulletin board was very much a problem for our service provider (she had to field constant complaints from the residents) and since we are taking this all in house, we have to make sure we have a board that is user friendly, so it does not become a burden to this office to service it.

The offices will be closed on Memorial Day – Monday, May 30st.

Recreation Update

June, 2011

June is going to be a crazy month as we celebrate several national holidays! Who would have thought there is a special day for the color pink, or one for accordion appreciation? How about a holiday celebrating eggs? Yep! There's one. A National Donut Day? June 6th! Who celebrates National Zoo Month? We do! National Candy Month? Who doesn't celebrate it????

Let's start out the month honoring delicious, delectable "donuts" with your favorite pastry and a cup of piping hot coffee on June 6 in the Baja Bistro. We'll serve between 8:00 am and 9:00 am so be sure to bring your mug and \$1.50 as advanced tickets are not required.

Have you ever visited the Phoenix Zoo? If not, don't you think it's about time? Sign up in the Activity Office, mark your calendar for Wednesday, June 8 and let's go! Entrance fee is \$13.00. Be sure to bring an extra bit of cash for snacks, your car pool host and any incidentals.

It has been requested that we continue with the sponsored Sunday Gabfests this summer. Ask and you shall receive! Sign up in the Activity Office to sponsor a Gabfest, then purchase or make your baked items to serve about a dozen; then meet your friends and neighbors in the Baja Bistro on your designated Sunday. Be sure to bring the goodies or you just might be run out of town!

June 13 is National Egg Day and what is a better way to celebrate than with a Scrambled Egg Breakfast? We'll be dishin' up those eggs with a generous serving of sausage, toast, juice and coffee from 8:00am-8:15 am in the Baja Bistro. Tickets are on sale in the Activity Office until Thursday noon, June 9.

Several great movies have been added to the DVD Library. The Kings Speech, The Tourist, Life As We Know It, Letters to God, Wimbledon, Salt, Dancing at Lughnasa, Your Love Never Fails and Dilemma. During the summer months three movies may be checked out of the Activity Office for a period of four days.

I can't think of a better way to commemorate Flag Day than sitting down to a slice of good, old-fashioned American apple cobbler with a scoop of vanilla ice cream. Can you? Stop by the Activity Office by Monday noon, June 13 and pick up your tickets for only \$2.50. This event will take the place of the Ice Cream Social normally scheduled for that Tuesday.

Have a hankering for some Pixi Stix? Candy cigarettes? Nellos? Join us June 22 as we car pool to Arizona's largest candy store located right in Chandler. Following our shopping spree we'll head over to Venezia's for lunch. If you like pizza, wings, sub sandwiches or huge salads you will love this restaurant. Sign up today in the Activity Office and let us know if you can be a car pool driver.

If you wear pink on Thursday, June 23rd to the VO Grill you will get a FREE dessert! Why? Because we're honoring National Pink Day. Seriously, who comes up with these holidays? But, we're going to roll with it. Just remember in order to qualify for the free dessert you must order lunch that day.

Even though it's not a national holiday we're going to celebrate the first day of summer with ice cream. Half price ice cream. That's right! Come to the June 21st Ice Cream Social and receive your first scoop of ice cream for only 50¢! You won't find a better deal in town.

Cake & ice cream... peanut butter & jelly... salt & pepper... Bert & Ernie... pizza and accordions. Pizza and accordions? Well, it was worth a try. Regardless, we're going to celebrate National Accordion Awareness Month with a Pizza and Accordion Party Monday, June 27 beginning at high noon in the Baja Bistro. Tickets will be available from the Activity Office until June 23.

What can I say but... there goes my diet for the month of June.

Happy Father's Day

The Little Chap Who Follows Me

A careful man I ought to be,
A little fellow follows me,
I do not dare to go astray
For fear he'll go the selfsame way.

I cannot once escape his eyes,
Whate'er he sees me do, he tries;
Like me, he says, he's going to be,
The little chap who follows me.

He thinks that I am good and fine,
Believes in every word of mine
The base in me he must not see,
The little chap who follows me.

I must remember as I go,
Through summer's fun
and winter's snow,
In building for the years to be
The little chap who follows me!

VENTURE OUT WORSHIP NEWS

Marianne Speck 830-8953

We recently received the sad news that Rev. Walter Boldt, who has been one of our speakers for many years, has passed away. We enjoyed his sermons given with his large deep voice and no notes, as he was virtually blind. Each year I scheduled him for the next season and he always said that he might not be back. He won't be with us next season, but he will watch over us. Cards or notes may be sent to his wife, Doris Boldt: Suite 403, 1329 KLO Rd., Kelowna BC Canada V1W3N9.
