## CLUB PROFILE

# CREATIVE WRITING CLUB

We are a club of beginners and experienced VO writers sharing our works in poetry, prose, fiction and personal stories. We emphasize freedom, creativity and uniqueness of style. In 2015, our club begins its thirty-first year.

Each week one of our members gives us a writing subject. This challenge can expand with suggestions to write in a specific genre, a particular voice or style. Some of us choose to do this assignment, others write on their own interests. However, the challenges do give an impetus to write. The next week we return with our pieces and, in a nurturing environment, share them with the group for constructive feedback.

We meet every Thursday from 1:00 to 3:00 p.m. in the Sonoran Café.
