## CLUB PROFILE

# Glass Arts Club

The Glass Arts Club now has a new facility, we provide, all the tools, saws, kilns, grinders, many patterns and individual work stations, along with trained instructors who teach classes for all skill levels, beginners to experienced. Our club was renamed last year as Glass Arts to represent all of the creative work we do. This includes fused glass jewelry, bowls, dishes, stained glass, mosaics, garden stones and a myriad of creative art works combining different mediums.
