CLUB PROFILE

Handymen Service Club

The Handymen repair and replace items as needed on various buildings etc. Help Clubs with minor modifications to their Buildings and install new equipment for the clubs.

The Handymen do most of the Christmas outside lighting. Take care of getting the Christmas decorations in and out storage and delivered to all the different areas to be decorated. All the work that is done has to be approved by Activity Director Teresa Beally and General Manager Mary Schmid. Without their approval no work can be done. The Handymen do not do work on private residences.

Requirements to join: Willingness to work with others on a variety of park projects

Dues: none
