CLUB PROFILE PICKLEBALL

Pickleball is THE up and coming sport in the USA. Not only is it great fun to play,, it is a great way to meet new friends and really challenge yourself to get healthy while you improve your skills. The Pickleball Club provides a welcome environment to pursue these goals. We are all about promoting the sport of Pickleball and at the same time fostering goodwill and fellowship among all residents of Venture Out. As a club our priority is about playing Pickleball. Therefore, open play time for our members is first and foremost. We always have courts open. Saturday morning scrambles and Sunday round robins take only a part of each day. During each week we reserve some courts for our ladder play, times for lessons and for group play where you get your own group together and sign up for a court. Once a month we have a potluck meal with just as much party spirit as there is food. It doesn't matter if you're brand new or have been here 25 years, pickle people are always eager to befriend you and get you involved. The club hosts two Pickleball tournaments each year, one in November and one in February. These serve as our two main fund raisers for the year. We also sponsor about 10 other fun-fund raising events during the course of the "season". All these events take volunteers to put them on and Pickleball members are not the least bit shy about volunteering. Whenever we work or play together it's a good time. We encourage you to give Pickleball a try. It is an exceptionally fun game and be careful, once you play you just might get bitten by the Pickleball bug. See you on the courts.

Sponsored Fund Raisers:

All City Tournament, East Valley Tournament, California Dreamin Dance, Casino Trips, Root Beer Floats, Big Bowl Party, VO Diner, Vitos Meal Deal.

Requirements to join:

Want to combine exercise and fun.

Dues: \$20 annually
