## CLUB PROFILE

# WOODSHOP CLUB

Woodshop is a clean, spacious, friendly club for men and women with a multitude of talented, helpful, interested members who are more than willing to help others and pass on years of experience. There are always two supervisors on duty for assistance, keeping a watchful eye out for everyone's safety. We have up-to-date machines and tools and are geared to construct anything from bird houses to grandfather clocks. Come tell stories, laugh, drink coffee and make something special...all for \$20 per year.
